66KV DISC INSULATOR

We are actively interested in delivering an exceptional quality range of Composite Disc Insulator, owing to our n-depth expertise of this area.

FEAUTURES

- Optimum strength
- Perfect finish
- Precisely designed

CAST IRON EARTHING

We are actively interested in delivering an exceptional quality range of Composite Disc Insulator, owing to our in-depth expertise of this area.

ENERGY METER

A single phase 2 wire electrical energy KWH metre is on exhibit. The product is suited for use as a sub-meter and is ideal for use in consumer environments.

HG FUSE SET

Horn Gap Fuse Manufactured in India are built from high-quality raw materials and can be utilised for electric transmission.

FEAUTURES

- Contact resistance is minimal
- Current carrying parts have a strong design
- Design and manufacturing of a high-quality product
- Operation is smooth and without issues

LIGHTING-ARRESTOR

Our company is well-known for providing Lighting Arrestors to our customers. These Lighting Arrestors are used to protect the system's insulation and conductor from light. Lighting Arrestors are mostly employed in electrical power and telecommunication networks, and are known for their dependability, low voltage distribution, and automatic mechanism. To summarise, these Lighting Arrestors will not only meet but exceed your expectations.

FEAUTURES

- Material of the highest quality
- High-quality at a reasonable price

PIN INSULATOR

We are able to provide a comprehensive choice of 11KV Pin Insulator thanks to our brilliant and trained workers and extensive industry experience.

POLYMER LIGHTNING ARRESTOR

Our company provides a diverse selection of HT Polymer Lightning Arrestor. Professionals create this product in accordance with industry standards from around the world. This product is available at a low cost.

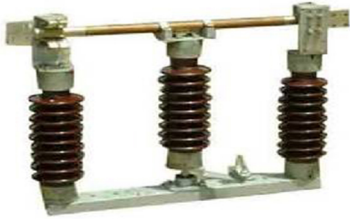

33KV ISOLATOR

We have created a name for ourselves in the industry by supplying a HIGH-QUALITY range of 33 KV Isolators in a variety of configurations.

FEATURES

- 33 kilovolts
- 50 Hz is the frequency
- A/C: 400/630/800

GI-FLATS

Our Galvanized Iron Flat Bar is highly sought after in the market due to its long-lasting nature and superb quality.

FEATURES

- Specifications of the Product
- The material is galvanized iron and the colour is silver

HDG FENCING ANGLE

Galvanized Angles used for industrial, commercial and Farming fencing etc... Highly corrosion protective angle with 650+ GSM zinc hot dip coatings

FEATURES

- Optimum strength
- Perfect finish
- Precisely designed

HOT DIP GALVANIZED BOLTS AND NUTS

Our customers may get a high-quality assortment of Hot Dip Galvanized Nuts and Bolts from us. These Hot Dip Galvanized Nuts and Bolts are made from high-quality materials. These Hot Dip Galvanized Nuts and Bolts are well-liked all around the world. These Hot Dip Galvanized Nuts and Bolts are available at the most competitive prices on the market.

MS-EARTHING ROD

Keeping in mind ever-evolving requirements of our respected clients, we are offering a premium quality array of MS Earthing Rod.

AVAILABLE

- Lengths ranging from 2 to 7 metres are available

WHY TRUST OUR CLIENT

-  Great Business Advices.
-  Secure, Verifying, Fast Solution.
-  Life Time Support.
